## **GET USED TO LUXURY**

Luxury is on the revival path with the new Nissan Sunny. It is riding the wave of the affluent Indian, who wants to announce his arrival. Undaunted, the new Nissan Sunny embodies Nissan's philosophy of 'Innovation' and 'Excitement' to give you the confidence to keep driving forward. From the dynamically sculpted front to best-in-class cabin space, the new Nissan Sunny promises a level of refinement. Its well appointed sophistication and elusiveness drives luxury into your everyday driving.

## HEAD-TURNING EXTERIORS

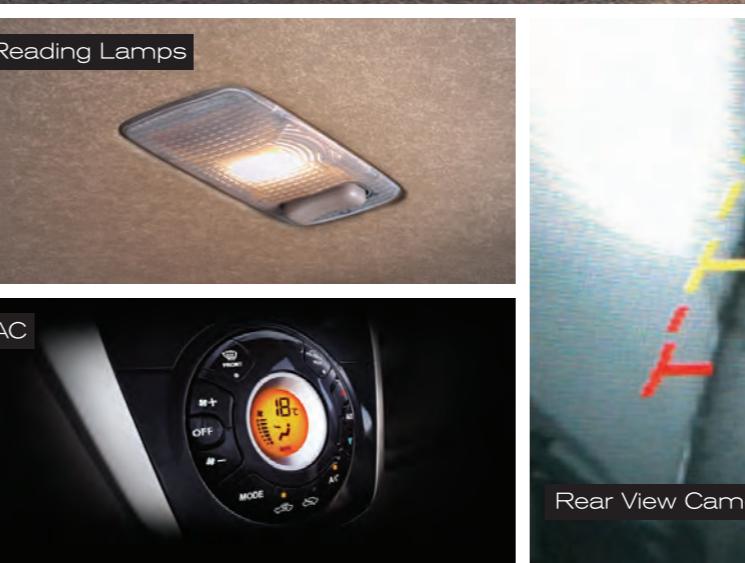

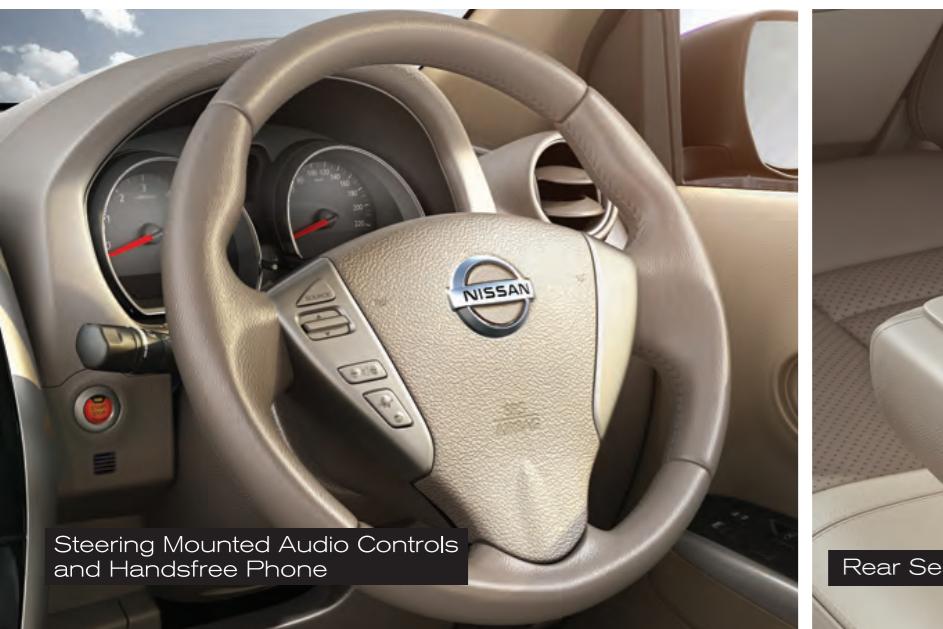

Aerodynamically designed, the new Nissan Sunny speaks volumes. From the bold Chrome Grille for that unforgettable frame and the Nissan Badge to the redesigned Boomerang Headlamps for that stylish and modern touch. The chiseled front and sides complement the sleek roof while the Y-spoke design of the 15" alloy wheels add to the new Nissan Sunny's commanding presence.

## IMPOSING OPTIMUM INTERIORS

Sit back in the new Nissan Sunny and know why it's more than just a car. Experience luxury meet sensibility as you sink into the premium leather seating of this first-class cabin. Witness a cultivated sense of style fused impeccably with a horde of features. Like the piano black finish centre console with silver finish on the sides to add to the premium ambience. And many such exacting details like best-in-class knee room that takes the new Nissan Sunny to a whole new level of luxury.

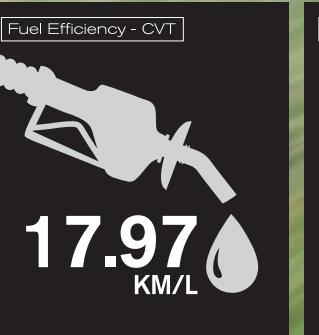

**LUXURY IS COMFORT**

The new Nissan Sunny is a welcoming lounge with features to enhance your driving experience. Like the unique circular vents that allow you to pinpoint exactly where you want the air flow. Effortlessly accommodating, the ergonomically designed cabin achieves the perfect blend of comfort, finesse and styling. In addition, automatic temperature cool, rear fan system, rear adjustable armrests and headrests are the reasons why the new Nissan Sunny deserves its luxury status.

## LUXURY IS OWNING A CVT

At Nissan, we believe in being at the forefront of innovation, Innovation that enriches life. Like the CVT (Continuously Variable Transmission) that eliminates fixed-gear ratios and thus the need for gear hunting. Instead, CVT keeps the engine at optimal revolutions for excellent acceleration. This whole new technology that also comes with the new Nissan Sunny is designed for fuel economy and for giving a pleasing sensation of driving a seamless wave of power.

## LUXURY LIES IN POWER

In the new Nissan Sunny, thoughtful design converges with a powerful engine. It offers a HR15 petrol engine and a PURE DRIVE K9K dci diesel engine. These are proven engines which ensure a smoother ride with great control and responsiveness. Moreover, the PURE DRIVE Technology makes sure CO2 emissions are low, enabling a smaller carbon print. High on power, the new Nissan Sunny is equally high on fuel efficiency.
